Assignment of symbols to candidates standing for election Municipal Councils in the State

Under the new election rules relating to the city, town & town Municipal councils the Returning Officer may assign symbols to candidates standing for election to the municipal councils with a view to enable illiterate voters to identify the candidates for whom they wish to vote. This is in accordance with the practice prevailing in respect of District Board elections & elections to the Representative Assembly and Legislative Council. The symbols to be assigned to the candidates have to be approved by Govt.

2 With a view to introduce uniformity in the symbols prescribed for the R a elections have been adopted and a draft for attaching its symbols is submitted for consideration

SIR,

I have the honor to state that the President, Chennarayapatna and Sravanabelagola Municipalities, has reported that 42 candidates from Sravanabelagola and 20 candidates from Chennarayapatna, have stood for the ensuing elections. that 8 candidates of Sravanabelagola and 2 candidates of Chennarayapatna have requested him to assign symbols, and has solicited instructions as to whether symbols have to be given only to the candidates who have applied for them or to all the candidates. Sub para (2) of ~~Rule 11 of~~ the Election Rules for Minor Municipalities, provides that, when the No. of eligible candidates is more than the No. of members to be elected, the Returning Officer may assign to each candidate a symbol out of those approved from time to time by Government in this behalf. According to the President's report, the No. of eligible candidates is more than the No. required to be elected, and he has therefore sought instructions in the matter of assigning symbols.
